

Monthly Progress Report
Bear Creek Inter-County Drain Clean Water Initiative
December 1 – 31, 2002

Progress Made:

Follow-up Sampling –

- Updated the Investigation Reports, which describe the follow-up sampling that was performed on the drains with elevated *E. coli* counts.

Final Verification Sampling -

- Revised the final verification summary, including the additional sample rounds performed on the Grobbel Relief North & Branches Drain. A table summarizing the final verification results can be found below:

Final Verification Results

Sample Event	Date	Drain ID	Drain Name	Results* (MPN/100 ml)	Criteria Exceedence
1	7/9/02	695-1N	Grobbel Relief North & Branches	907	
		723-16b	Bear Creek Warren Branch	2,602	
		708-1	Bear Creek Warren Branch South	52	
		OC-3	Campbell No. 2 Drain	171	
2	7/18/02**	695-1N	Grobbel Relief North & Branches	2,481	
		723-16b	Bear Creek Warren Branch	24,192	✓
		708-1	Bear Creek Warren Branch South	7,701	✓
		OC-3	Campbell No. 2 Drain	7,270	✓
3	8/7/02	695-1N	Grobbel Relief North & Branches	31	
4	8/8/02	695-1N	Grobbel Relief North & Branches	45.3	
5	8/14/02	695-1N	Grobbel Relief North & Branches	461.1	
6	8/15/02	695-1N	Grobbel Relief North & Branches	24,192	✓
7	8/20/02	695-1N	Grobbel Relief North & Branches	271	
8	10/9/02	695-1N	Grobbel Relief North & Branches	727	
9	11/11/02**	695-1N	Grobbel Relief North & Branches	2,723	

*Reported results were obtained from Martha T. Berry Medical Care Facility.

**Wet Weather Event

Website & Data Posting-

- Updated the project website by posting the Investigation Reports for the drains which underwent additional sampling.

Problems Encountered & Recommended Solutions:

None

Activities for Next Reporting Period:

- Summarize follow-up sampling results.
